

Allied Health Professionals – Warrnambool – Contractor positions

CapacityPlus is expanding our current services in the South-West and are looking for passionate individuals in a range of allied health positions to join us at our newly established Warrnambool Office.

Contractor roles combine professional satisfaction with the ultimate flexibility of allowing you to nominate your own hours. Work as little as one hour per fortnight or up to five days per week, with none of the administration, intake, or financial responsibilities of working for yourself. A role as an Allied Health Professional Contractor with CapacityPlus grants the perfect balance of being client-focused whilst never having to take paperwork home again!

If you are a Speech Pathologist, Occupational Therapist, Psychologist, Art or Music Therapist, this may be the role for you.

What will you do?

You will provide a mix of assessment and therapy for clients across the age-span (younger children, adolescents, adults, older adults) within your discipline-specific role. Enjoy the opportunity to work in a multi-disciplinary environment with shared clients alongside a supportive team.

Referrals pathways can include the following:

- Community members
- Community and family services
- Transport Accident Commission (TAC)
- National Disability Insurance Scheme (NDIS)
- Department of Family, Fairness and Housing (DFFH)
- Aboriginal Co-operatives

Your Skills:

- Demonstrated experience providing high quality assessment, recommendations, therapy, and/or training to children and/or adults within your scope of practice
- Excellent record-keeping with relation to appropriate and timely case notes
- Ability to complete comprehensive reports for funding bodies such as TAC, NDIS and WorkSafe
- Demonstrated capacity to work within a team and to build rapport with clients
- Strong time management skills and ability to manage competing demands
- Commitment to ongoing professional development
- Proficient IT skills

Essential Criteria:

- Relevant tertiary qualification and current professional registration
- ABN
- NDIS Worker Screening Clearance Check
- Working with Children Check
- Drivers Licence
- Any Government Mandated Vaccine or Immunisation Requirements

Benefits:

- Work within a diverse team of supportive individuals with experience in a variety of clinical backgrounds
- Flexible days/hours
- Hybrid working options at our Warrnambool Office, out in the community, and working from home
- Attractive hourly rates for new graduates and senior clinicians
