- GP and other medical speciality referrals (Neurology, Psychiatry)
- Hospital inpatient wards
- Medico-legal and Courts Victoria
- Department of Veterans' Affairs (DVA)
- Transport Accident Commission (TAC)
- National Disability Insurance Scheme (NDIS)
- Department of Family, Fairness and Housing (DFFH)
- Aboriginal Co-operatives

Our dedicated Administration Team takes care of all your appointments allowing you to spend more time focused on your clinical skills. Ample support and clinical supervision are available and inbuilt into all roles.

Your Skills:

- Demonstrated experience providing high quality assessment and reports for adults and/or children
- Highly developed written and verbal communication skills
- Demonstrated capacity to work within a team and to build rapport with clients
- Strong time management skills and ability to manage competing demands
- Commitment to ongoing professional development
- Proficient IT skills

Essential Criteria:

- Relevant tertiary qualification and current professional registration
- Endorsement as a Clinical Neuropsychologist or eligibility to enter a registrar program to gain endorsement
- Working with Children Check
- Any Government Mandated Vaccine or Immunisation Requirements
- Drivers Licence
- ABN (for contractor positions)
- Professional indemnity insurance (for contractor positions)

Benefits:

- Work in an experienced Neuropsychology Team with the opportunity to see a wide range of referrals with supervision and support
- Hybrid and remote working arrangements available
- Flexible roles, talk to us about how the role can suit you
- Highly attractive above award wage
